Activity :- 23 Martyr's day

Date: 23/3/2024

Number of Participants: 23

Place: Government Science College, Gandhinagar.

On the occasion of Martyr's Day, the NSS unit of Gandhinagar Science College orchestrated a poignant floral tribute program to honor both renowned and unsung heroes who sacrificed their lives for India's freedom struggle. The event witnessed enthusiastic participation from teachers and students alike. In a period marked by the anguish of British oppression, our nation birthed countless courageous souls who valiantly fought and laid down their lives in the pursuit of liberation. Their indomitable spirit and sacrifices serve as a beacon of inspiration, reminding us of the enduring legacy of our martyrs and their unwavering commitment to the cause of freedom.

In the courtroom of Krishna Verma in Lahore, the valiant revolutionary youth of India's freedom movement, including the iconic figures Veer Bhagat Singh, Sukhdev, and Rajguru, alongside nine other youths, faced a brutal death sentence. Despite March 24 being designated as the execution day, these courageous revolutionaries were hanged in a Lahore jail late on the evening of March 23. Their remains were cremated on the banks of the Sutlej river near Hussainiwala in Ferozepur district of Punjab. Subsequently, a memorial was erected at this site, commemorating their unparalleled sacrifice and indomitable spirit in the fight for India's independence.

Today, on March 23rd, India observes Martyrs' Day, a solemn occasion to honor the courageous sons of Mother India who sacrificed their lives for the nation's freedom. Recognized as Martyrs' Day in India, this date commemorates the 92nd death anniversary of the brave martyrs Veer Bhagat Singh, Sukhdev Thapar, and Shivram Rajguru. Their indelible contributions to India's independence movement are revered nationwide, and the entire country pays homage to them on this day, aptly known as 'Shaheed Diwas' or 'Martyrs Day'.
