UDISHA

UDISHA = Universal Development of Integrated employability Skills through Higher education Agencies

- UDISHA is the initiative of Knowledge consortium of Gujarat and Department of Higher education, Government of Gujarat.

OBJECTIVES OF UDISHA PROGRAMME

- 'UDISHA' is a placement initiative where students directly connect to various employers to improve their employability skills.
- UDISHA work as a communication pathway between Employer and Job Seekers. For this, college students are trained for soft skill and domain training as per the requirement of Industries.
- UDISHA initiative under extension at KCG is trying to deliver more appropriate skills among the youth of Gujarat State in order to make them employable easily and as per the needs of the markets.
- To train the youth of colleges and provide appropriate skills for the industry world.

List of the activities done

1	Seminar on "Competitive exams"	17 August, 2018	65
2	Seminar on "Career roadmap"	19 January, 2019	78

Seminar on “Competitive exams”

Date: 17 August, 2018

The seminar on competitive exams for college students was organised by UDISHA committee of the college under the guidance of Principal – Dr. K. G. Chhaya. The purpose of the seminar was to guide and prepare students for various competitive examinations. It was organized with the understanding that these exams play a crucial role in shaping future academic and career paths. Representative of Chahal academy, Gandhinagar - Mr. Amit Chaudhary explained the significance of competitive exams in higher education and job opportunities. He also provided an overview of different types of exams, including entrance tests for postgraduate studies and government job exams. With specific emphasis on preparation strategies, he further shared effective study techniques and time management tips. In addition, he discussed the importance of a structured study plan and consistent practice. Further, he explained the procedures for applying to different exams and clarified common doubts related to application forms, fees, and deadlines. The seminar concluded with a Q&A session by students, allowing students to seek personalized advice. Attendees left with a better understanding of competitive exams, practical preparation

strategies, and a motivated outlook towards their academic and career pursuits. Total 65 students were benefited.

Seminar on “Career Roadmap”

Date: 19/01/2019

To provide the details on the importance of career guidance, college organised a seminar on “Career roadmap” under the guidance of Principal Dr. K. G. Chhaya. Mr. Kunal Dave from Faster academy, Gandhinagar highlighted the impact of making informed career choices. He provided information on various career paths and explained the significance of aligning interests and skills with career choices. He further discussed the role of education in shaping career paths. He encouraged students to explore different professions and industries. Feedback from participants indicated a positive reception, with many expressing gratitude for the practical advice and actionable steps provided. The Career Roadmap seminar successfully equipped students with tools to navigate their career paths with confidence. Around 78 students gained the benefits of the seminar.
