Feedback analysis of Students

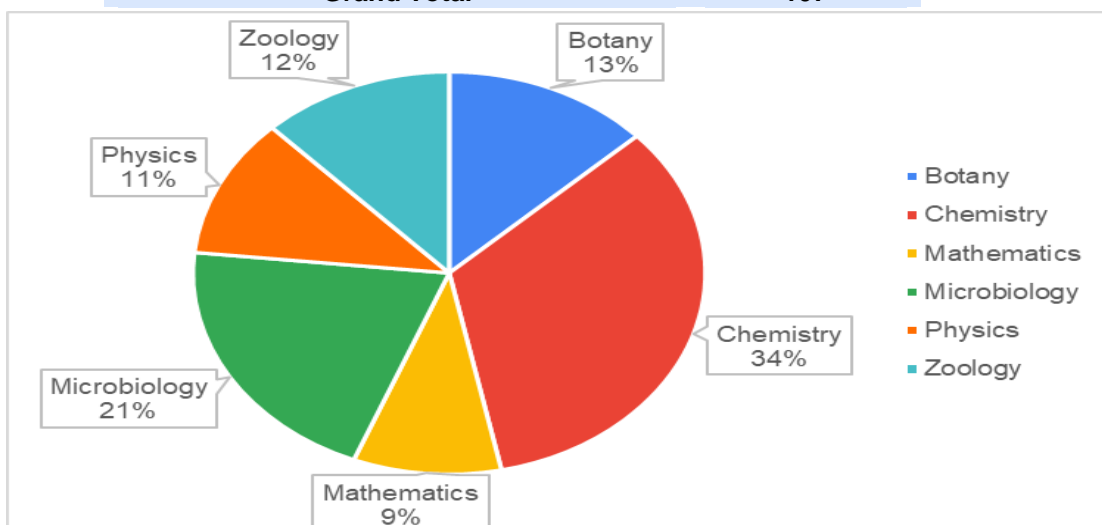

1. Name of the program you are studying.

Name of the Program you are studying.	Count
B. Sc. (Sem - 1/2)	31
B. Sc. (Sem - 3/4)	27
B. Sc. (Sem - 5/6)	17
M. Sc. (Sem - 1/2)	15
M. Sc. (Sem - 3/4)	17
Grand Total	107

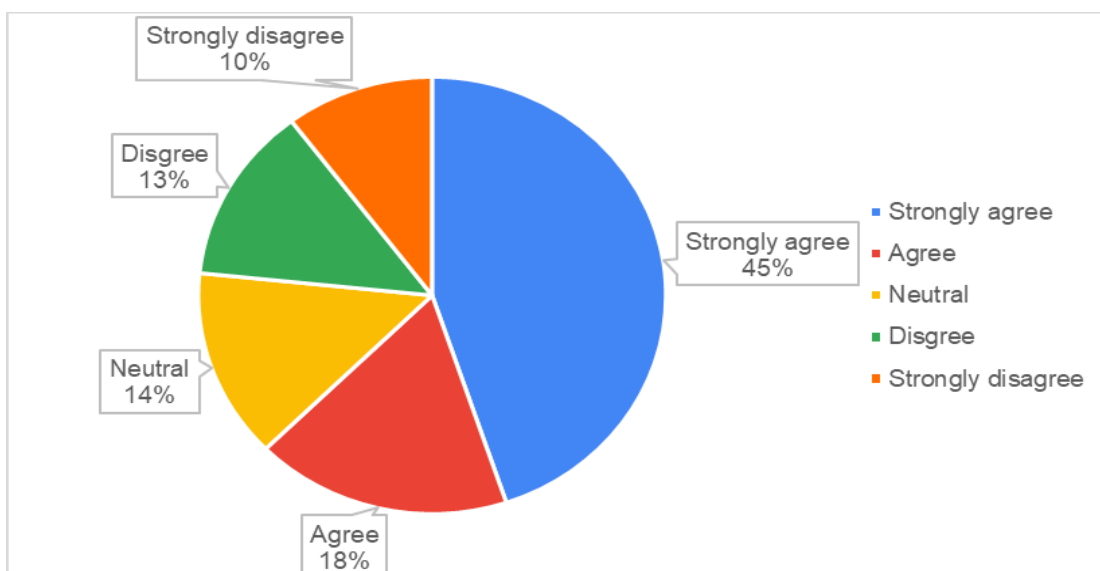

2. Name of the Course you are studying.

Name of the Course you are studying.	Count
Botany	14
Chemistry	36
Mathematics	10
Microbiology	22
Physics	12
Zoology	13
Grand Total	107

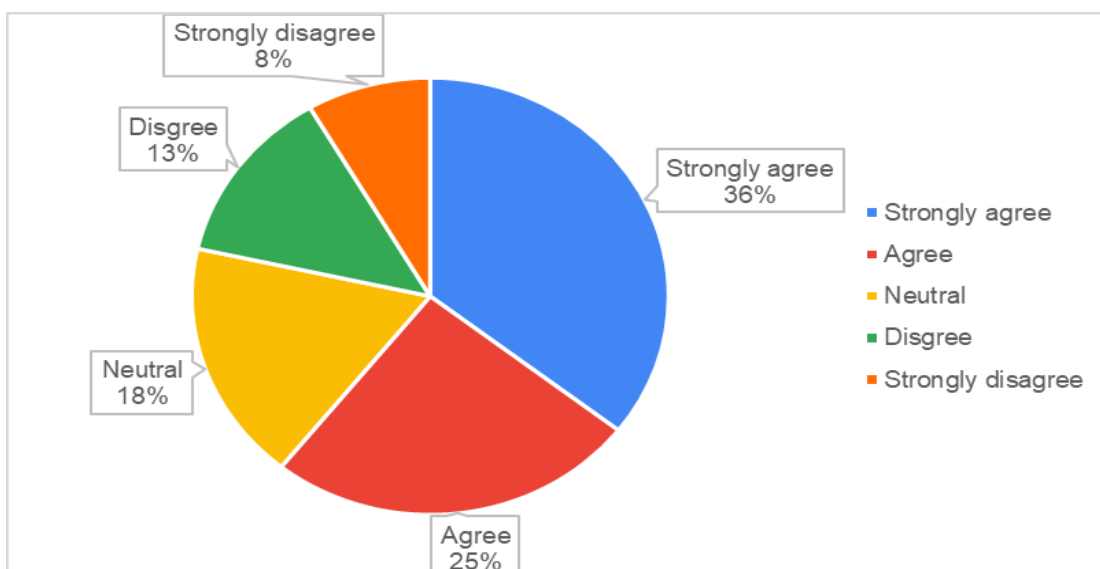

3. Curriculum is having good depth of concepts.

Curriculum is having good depth of concepts	Count
Strongly agree	48
Agree	19
Neutral	15
Disagree	14
Strongly disagree	11
Grand Total	107

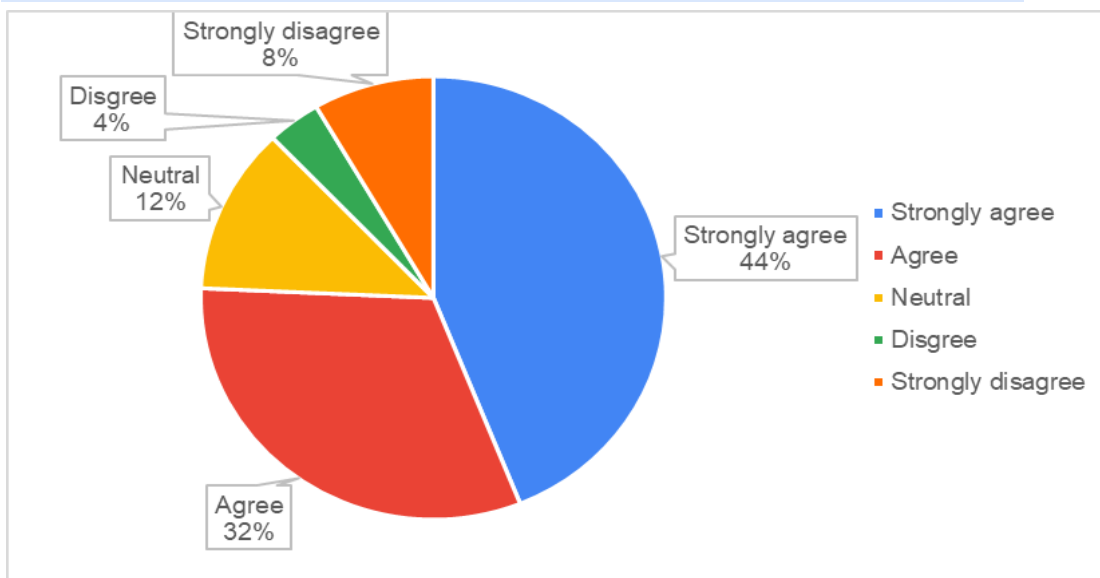

4. Extent of coverage and time allotted for each course is sufficient.

Extent of coverage and time allotted for each course is sufficient	Count
Strongly agree	38
Agree	27
Neutral	19
Disagree	14
Strongly disagree	9
Grand Total	107

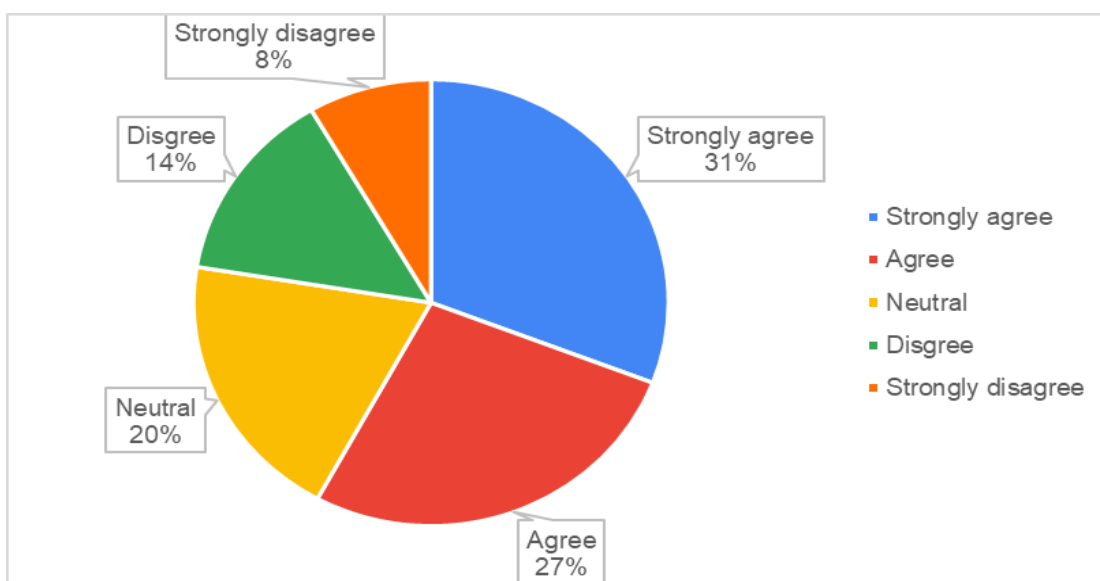

5. There is proper balance of theory and practical in curriculum.

There is proper balance of theory and practical in curriculum	Count
Strongly agree	47
Agree	34
Neutral	13
Disagree	4
Strongly disagree	9

Disagree	13
Strongly disagree	6
Grand Total	107

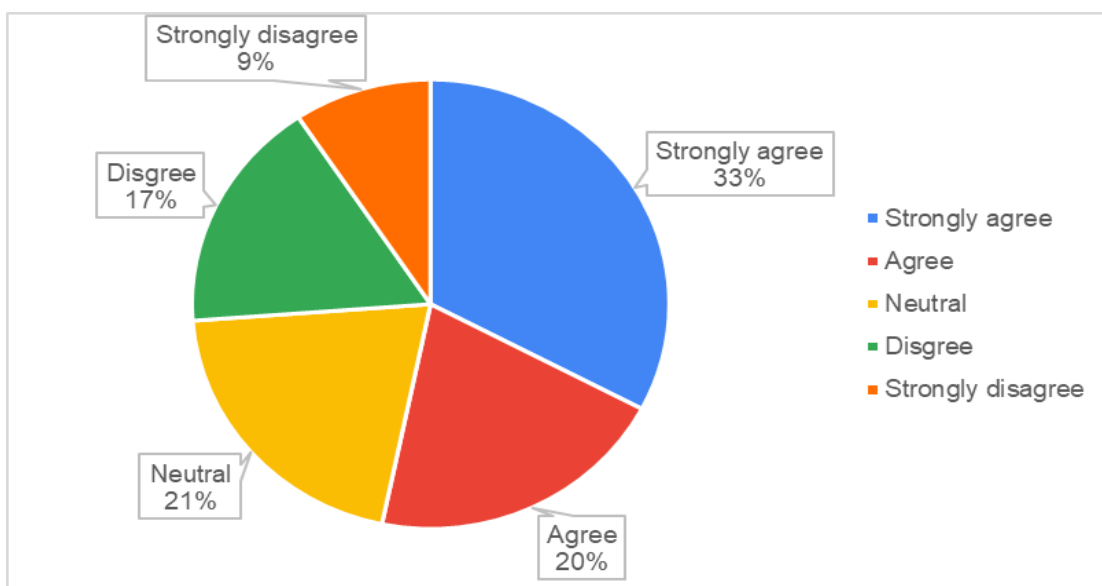

9. Curriculum encourages for entrepreneurship.

Curriculum encourages for entrepreneurship	Count
Strongly agree	14
Agree	25
Neutral	31
Disagree	20
Strongly disagree	17
Grand Total	107

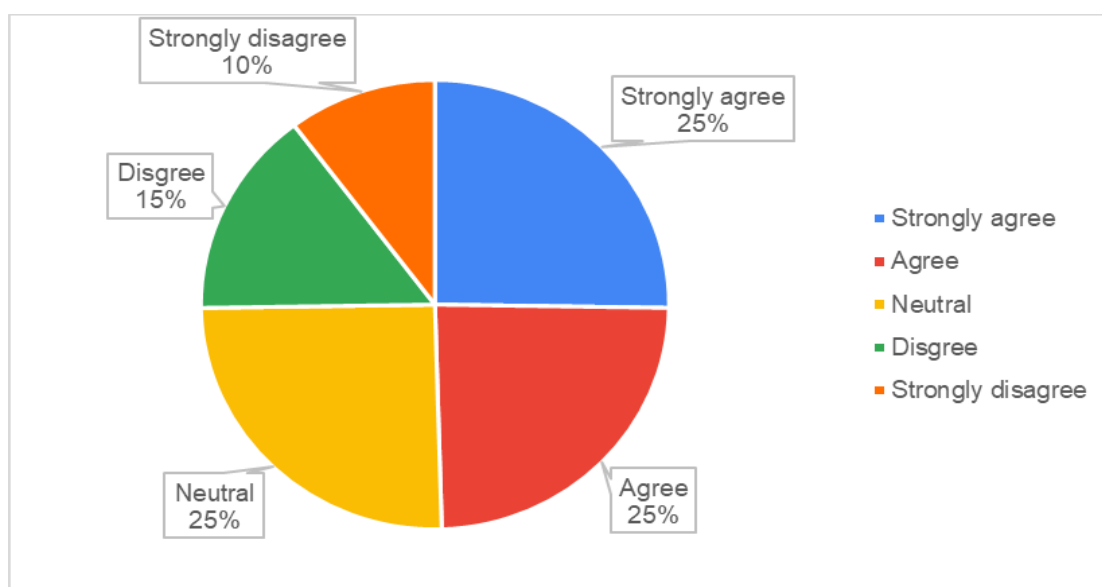

10. Curriculum is effective in innovative thinking.

Curriculum is effective in innovative thinking	Count
Strongly agree	35
Agree	22
Neutral	22
Disagree	18
Strongly disagree	10
Grand Total	107

11. Curriculum meet industrial orientation.

Curriculum is effective in innovative thinking	Count
Strongly agree	27
Agree	26
Neutral	27
Disagree	16
Strongly disagree	11
Grand Total	107

12. Suggestions for improvement in Curriculum (if any).

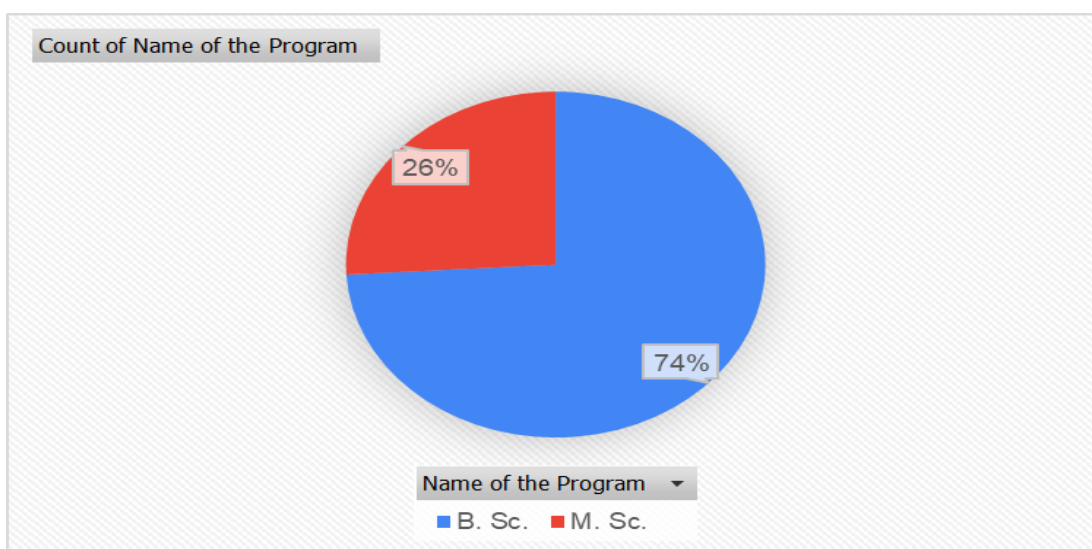

Few of the suggestions received are as follows:

- (i) Increase the number of books in library.
- (ii) Provide resources for self-study.
- (iii) Include more practical for better understanding of subject.

Feedback analysis of Teachers

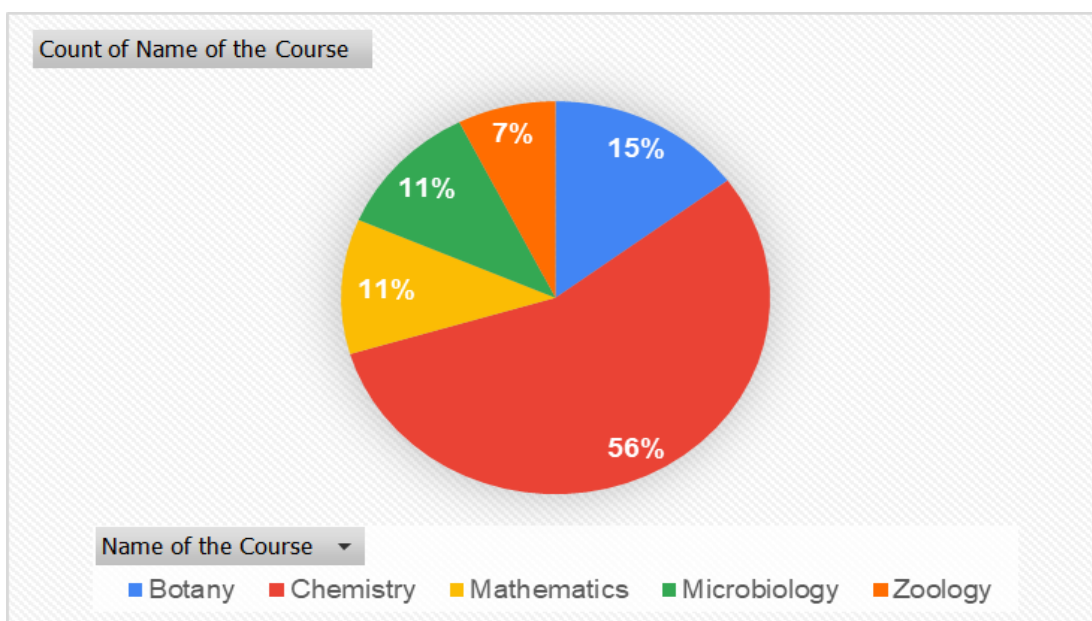

1. Name of the program.

Name of the Program	Count
B. Sc.	20
M. Sc.	7
Grand Total	27

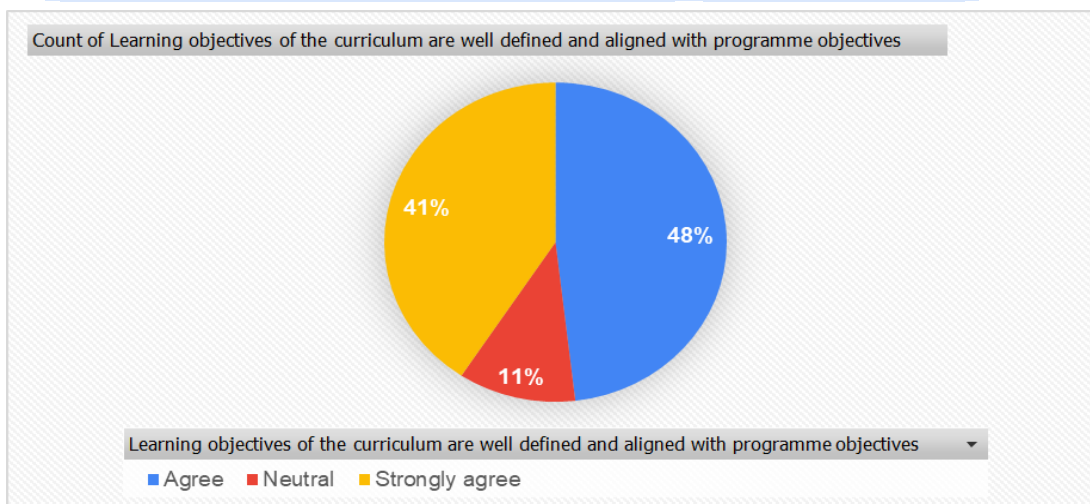

2. Name of the Course.

Name of the Course	Count
Botany	4
Chemistry	15
Mathematics	3
Microbiology	3
Zoology	2
Grand Total	27

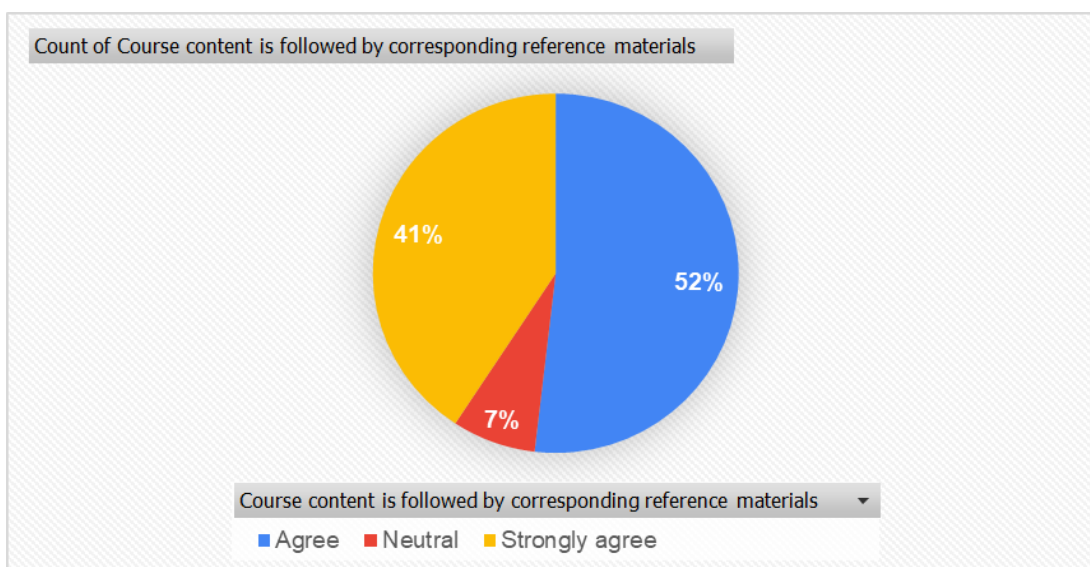

3. Learning objectives of the curriculum are well defined and aligned with programme objectives.

Learning objectives of the curriculum are well defined and aligned with programme objectives	Count
Strongly agree	11
Agree	13
Neutral	3
Disagree	0
Strongly disagree	0
Grand Total	27

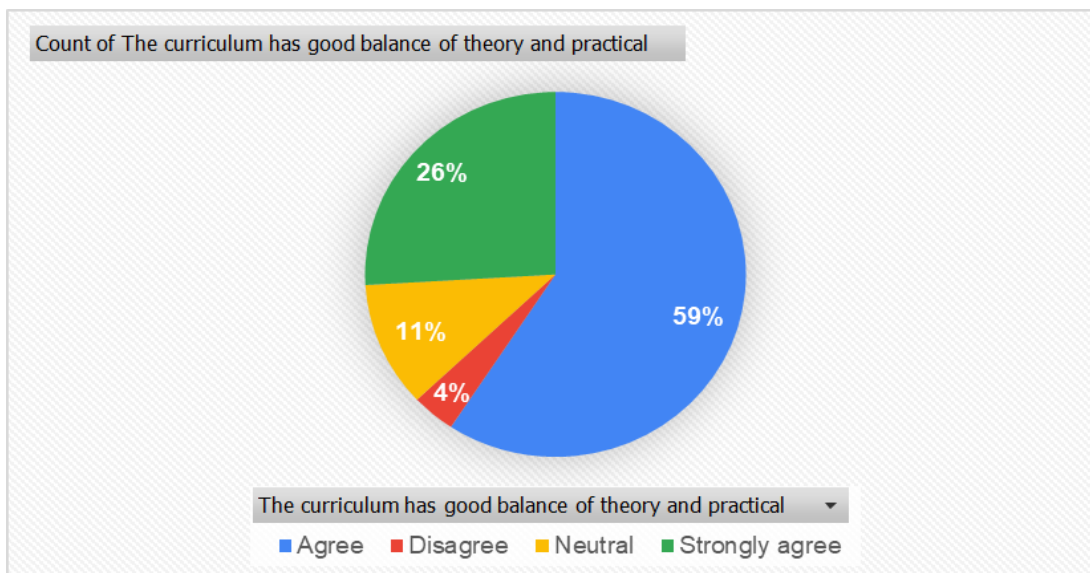

4. Course content is followed by corresponding reference materials.

Course content is followed by corresponding reference materials	Count
Strongly agree	11
Agree	14
Neutral	2
Disagree	0
Strongly disagree	0

Disagree	9
Strongly disagree	7
Grand Total	94

10. The college supports placement activities.

The college supports placement activities	Count
Strongly agree	14
Agree	22
Neutral	36
Disagree	18
Strongly disagree	4
Grand Total	94

11. Suggestions for improvement in Curriculum (if any).

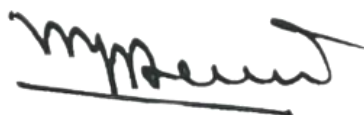

Few of the suggestions received are as follows:

- (i) Provide information on alumni success stories and career pathways to reassure parents about the quality of education.
- (ii) Ensure safety and security measures are in place on campus.

Action Taken Report

Sr. No.	Particulars	Few of the Suggestions received	Action taken based on feedback
1	Students	(i) Increase the number of books in library. (ii) Provide resources for self-study. (iii) Include more practical for better understanding of subject.	Actions shall be taken to expand the library's collection. Faculties are encouraged to provide additional resources for self-study, including online databases, e-books, and reference materials, to support independent learning.
2	Teachers	(i) New topics should be added. (ii) Implement more hands-on practical sessions in laboratories to enhance understanding.	Syllabus are formatted and revised by the affiliating university considering the needs and trends of the industry. Faculties are encouraged to implement more hands-on practical sessions.
3	Employers	(i) Provide placement assistance to the students. (ii) Make students to inculcate skills and competencies required for entry-level positions in the field.	Placement assistance is provided to students through Placement cells. A mechanism shall be devised to inculcate skills and competencies required for entry-level positions in the field.
4	Alumni	(i) College campus needs redevelopment. (ii) Competitive exam guidance in their bachelor's degree areas during their studies can help them.	Institute shall prepare a detailed report for campus redevelopment and submit to higher authorities for grant. Faculties are encouraged to provide guidance for competitive exams related to bachelor's

Sr. No.	Particulars	Few of the Suggestions received	Action taken based on feedback
			degree areas to help students excel in their chosen fields.
5	Parents	(i) Provide information on alumni success stories and career pathways to reassure parents about the quality of education. (ii) Ensure safety and security measures are in place on campus.	Faculties are encouraged to inform students on alumni success stories and their career pathways to reassure parents about the quality of education. Enhanced safety and security measures shall be implemented on campus to ensure a secure environment for students and staff.
